

GEOCACHE SITE - PLEASE READ

Congratulations, you've found it! *Intentionally or not!* This is part of a worldwide game played by GPS (Global

Positioning System) users, called Geocaching. The game basically involves a GPS user hiding "treasure" (this container and contents) and publishing the exact coordinates so other GPS users can come on a "treasure hunt" to find it.

IF YOU FOUND THIS CONTAINER BY ACCIDENT:

Great! You are welcome to join us! We ask only that you:

Please do not move or vandalize the container. The real treasure is just finding the cache. Feel free to take something, but please trade something for others to find. If possible, let us know you found it by writing your thoughts in the logbook and visiting a website below.

Geocaching is open to everyone with a GPS and a sense of adventure. Treasures like this are hidden all over the world! Visit our website to want to learn more, or leave comments:

If this container is on private property and you wish it removed, please let us know. We apologize, and will be happy to move it.
